Dr. David H. Rhoades - June 27, 2021

1. Are you the kind of person who makes plans or just tries to “wing it”?
2. Agree or disagree: “The bigger the project, the more plans are needed.”

Digging Deeper

3. Read Nehemiah 2:11-3:32 or access Pastor David’s message at broadviewchurch.com/media.
4. In this passage, one of the first things Nehemiah did was inspect the situation with only a few trusted men. Why do you believe he started the project of rebuilding Jerusalem’s walls in this manner?
5. In 2:19, Nehemiah faced resistance from a few men. How did Nehemiah respond in 2:20?
6. In chapter 3, did Nehemiah have everyone work together on the same part of the wall, or did he divide the work among different groups? Why did he do it this way?
7. Read the following verses in chapter 3: verses 10, 23, 28, 29, 30. What do these verses have in common?
8. Why do you think Nehemiah had these men make repairs to the wall close to their own houses?

Bringing It Home

 10. Is there a project in your life that requires creating and implementing a plan? If so, what is it?
